Audemars Piguet, "Millenary Quadriennium", 18K pink gold gentleman's wristwatch with Quadriannual calendar, power reserve and an Audemars Piguet leather strap with an 18K pink gold Audemars Piguet deployant clasp. Accompanied by box and certificate. Dim 47 x 49mm. Thickness 15mm.

Millenary Quadriennium is exception. It is not annual or perpetual calendar. The Quadriennium, with its quadriannual calendar, comes in between the annual calendar and perpetual calendar complications. It needs adjustment only in leap year, means once every four years.
